

AK47 Magazine 30 RDS

SPECIFICATIONS

Description	AK47 Magazine 7.62x39mm 30 RDS side window
Production	AC-Unity
Calibre	7.62x39mm
Capacity	30 rounds
Weapon type	AK47, AK103, AK104, AK15, AKM, AKS, SIG556R
Weight unloaded	188g
Magazine body	UV-resistant polymer
Spring material	Carbon steel
Follower material	Polymer
Baseplate material	Polymer
Color	Opaque Black
Item code	AC00130

FEATURES

The Gen.2 window magazine 30RDS cal. 7.62x39mm is lightweight and highly reliable for all AK47/AKM weapons.

Made from an advanced polymer resin/granulate that is lightweight and extremely shock resistant.

This polymer is exclusive to AC-Unity and gives these magazines a huge edge in weight and durability.

The body is impact resistant through a wide range of temperatures.

AK47 Magazine 30 RDS Gen.3

FEATURES

The Gen.3 magazine 30RDS cal.7.62x39mm is lightweight and highly reliable for all AK47/AKM weapons.

Made from an advanced polymer resin/granulate that is lightweight and extremely shock resistant.

This polymer is exclusive to AC-Unity and gives these magazines a huge edge in weight and durability.

The body is impact resistant through a wide range of temperatures.

SPECIFICATIONS

Description	AK47 Magazine 7.62x39mm 30 RDS Gen.3
Production	AC-Unity
Calibre	7.62x39mm
Capacity	30 rounds
Weapon type	AK47, AK103, AK104, AK15, AKM, AKS
Weight unloaded	204g
Magazine body	UV-resistant polymer
Spring material	Carbon steel
Follower material	Polymer
Baseplate material	Polymer
Color	Opaque Black, Desert, OD Green
Item code	AC00182

AK74 Magazine 30 RDS

SPECIFICATIONS

Description	AK74 Magazine 5.45x39mm 30 RDS
Production	AC-Unity
Calibre	5.45x39mm
Capacity	30 rounds
Weapon type	AK74, AK74N, AK105, AK107, AK12, AKS74, AKS74U, AKA6
Weight unloaded	192g
Magazine body	UV-resistant polymer
Spring material	Carbon steel
Follower material	Polymer
Baseplate material	Polymer
Color	Opaque Black
Item code	AC00051

FEATURES

AC-Unity 30 RDS window magazine for AK74 cal. 5.45x39mm is a polymer magazine designed for Kalashnikov pattern rifles in cal. 5x45x39mm among are AK74, AK74N, AK105, AK107, AK12, AKS74, AKS74U, AKA6.

It is a durable impact resistant and lightweight magazine that has an optimally engineered surface grip for easy use and control.

Reinforced bolt hold open follower (Yugo Style BHO) works as a last-round fired bolt hold open on all AKs.

The magazine lips will not break or crack when dropped; they will stay in the correct position and not spread or balloon because of the spring pressure.

The material composition allows for long time storage, and the carbon wire spring will not degrade from use or loaded storage.

AK74 Magazine 45 RDS

SPECIFICATIONS

Description	AK74 Magazine 5.45x39mm 45 RDS
Production	AC-Unity
Calibre	5.45x39mm
Capacity	45 rounds
Weapon type	AK47, AK103, AK104, AK15, AKM, AKS
Weight unloaded	234g
Magazine body	UV-resistant polymer
Spring material	Carbon steel
Follower material	Polymer
Baseplate material	Polymer
Color	Opaque Black
Item code	AC00119

FEATURES

AC-Unity 45 RDS window magazine for AK74 cal. 5.45x39mm is a polymer magazine designed for Kalashnikov pattern rifles in cal. 5.45x39mm among are AAK74, AK74N, AK105, AK107, AK12, AKS74, AKS74U, AKA6.

It is durable impact resistant and lightweight magazine which has an optimally engineered surface grip for easy use and control.

Reinforced bolt open follower (Yugo Style BHO) works as a last-round fired bolt hold open on all AKs.

The magazine lips will not break or crack when dropped; they will stay in the correct position and not spread or balloon because of the spring pressure.

The material composition allows for long time storage, and the carbon wire spring will not degrade from use or loaded storage.

AK556 Magazine 30 RDS

SPECIFICATIONS

Description	AK556 Magazine 5.56x45mm 30 RDS
Production	AC-Unity
Calibre	5.56x45mm
Capacity	30 rounds
Weapon type	AK556, AKS, AK101
Weight unloaded	184g
Magazine body	UV-resistant polymer
Spring material	Carbon steel
Follower material	Polymer
Baseplate material	Polymer
Color	Opaque Black
Item code	AC00151

FEATURES

AC-Unity 30 RDS polymer magazine for AK101 cal. 5.56x45mm is durable, lightweight and highly reliable.

Patterned after Bulgarian Circle 10 spec NATO 5.56mm AKs.

It works in most Yugoslavian 5.56mm M90/M85. Made from an advanced polymer-resin/granulate that is lightweight and extremely shock resistant that it can be dropped onto the feed lips without damage.

This polymer is exclusive to AC-Unity and gives these magazines a huge edge in weight and durability.

Carbon wire spring has a lifetime warranty against corrosion and will not degrade from use or loaded storage, and the metal parts are hardened and corrosion resistant.

AK556 Magazine 45 RDS

SPECIFICATIONS

Description	AK556 Magazine 5.56x45mm 45 RDS

Carbon wire spring has a lifetime warranty against corrosion and will not degrade from use or loaded storage, and the metal parts are hardened and corrosion resistant.

SPECIFICATIONS

Description	AK556 Magazine 5.56x45mm 60 RDS
Production	AC-Unity
Calibre	5.56x45mm
Capacity	60 rounds
Weapon type	AK556, AKS, AK101
Weight unloaded	303g
Magazine body	UV-resistant polymer
Spring material	Carbon steel
Follower material	Polymer
Baseplate material	Polymer
Color	Opaque Black
Item code	AC00152

AR15 Magazine 30 RDS

SPECIFICATIONS

Description	AR15 Magazine 5.56x45mm 30 RDS
Production	AC-Unity
Calibre	5.56x45mm
Capacity	30 rounds
Weapon type	AK556, AKS
Weight unloaded	148g
Magazine body	UV-resistant polymer
Spring material	Carbon steel
Follower material	Polymer
Baseplate material	Polymer
Color	Opaque Black, Transparent
Item code	AC00115 Opaque Black, AC00115TR Transparent

FEATURES

AC-Unity 30 RDS polymer magazine for AR15 cal. 5.56x45mm is durable, lightweight and highly reliable.

Made from advanced polymer-resin/granulate that is lightweight and extremely shock-resistant that it can be dropped onto the feed lips without damage.

This polymer is exclusive to AC-Unity and gives these magazines a huge edge in weight and durability.

Carbon wire spring has a lifetime warranty against corrosion and will not degrade from use or loaded storage, and the metal parts are hardened and corrosion resistant.

AR15 Magazine 40 RDS

SPECIFICATIONS

Description	AR15 Magazine 5.56x45mm 40 RDS
Production	AC-Unity
Calibre	5.56x45mm
Capacity	40 rounds
Weapon type	AK556, AKS
Weight unloaded	180g
Magazine body	UV-resistant polymer
Spring material	Carbon steel
Follower material	Polymer
Baseplate material	Polymer
Color	Opaque Black
Item code	AC00153

FEATURES

AC-Unity 40 RDS polymer magazine for AR15 cal. 5.56x45mm is durable, lightweight and highly reliable.

Made from advanced polymer-resin/granulate that is lightweight and extremely shock-resistant that it can be dropped onto the feed lips without damage.

This polymer is exclusive to AC-Unity and gives these magazines a huge edge in weight and durability.

Carbon wire spring has a lifetime warranty against corrosion and will not degrade from use or loaded storage, and the metal parts are hardened and corrosion resistant.
