

## PLATE CARRIER FULLY LOADED

**FULLY LOADED TACTIC1 2.0 PLATE CARRIER:** T.G.H BALLISTIC HELMET, ADMIN POUCH, TS WARRIOR PLACARD, DROP POUCH.

## TACTIC1 2.0 PLATE CARRIER

The **Tactic1 2.0 Plate Carrier** is a lightweight, mission-ready system built from reinforced 1000D nylon with a full laser-cut load-bearing platform for maximum modularity and durability. Featuring a QUAD quick-release system, adjustable padded shoulder straps, and a breathable adjustable cummerbund, it provides a secure and customizable fit for enhanced mobility and comfort.

- **Size:** Adjustable. Fit sizes M-2XL
- **Materials:** 1000D reinforced Nylon, UTX buckles
- **Colors:** Black, OD Green, MC Camo

## T.G.H BALLISTIC HELMET

The **T.G.H Ballistic Helmet** provides superior protection in extreme conditions and is certified to NIJ-STD-0106.01 standards. Made from lightweight, durable ARAMID, it features an adjustable size dial, 4-point harness, removable suspension pads, and exterior hook-and-loop panels for accessory attachment. NVG mount and side rails allow seamless integration of night vision and tactical accessories.

- **Size:** M/L (Adjustable size dialer)
- **Materials:** ARAMID
- **Weight:** 1.40 kg ± 50g
- **Protection level:** NIJ-STD-0106.01 – NIJ-STD-0108.01 Level IIIA (Modified)

## TS WARRIOR PLACARD

The **TS Warrior Placard** is a fully loaded modular placard made from durable 1000D nylon with Duraflex buckles and a rigid hook-and-loop backing for compatibility with most plate carriers. It accommodates six M4/AK magazines with bungee retention, two pistol magazine pouches with secure closure, and an integrated full-zip IFAK pouch with organized internal storage. Side elastic bands provide additional retention for a C.A.T tourniquet

- **Load carry:** 6 M4/AK mags, 2 pistol mags, 1 IFAK
- **Materials:** 1000D Nylon, DURAFLEX buckles
- **Colors:** Black, CP, Ranger Green

## ADMIN POUCH

The **Admin Pouch** is constructed from durable 500D nylon and features a full laser-cut design with MOLLE compatibility for attachment to most plate carriers and tactical vests. It includes a zippered main compartment with organized internal storage, elastic retention straps, removable accessory cord, and a front laser-cut hook-and-loop panel for identification or patches. A secured top hook-and-loop closure allows quick access while maintaining secure equipment retention.

- **Overall size:** 8"X6"X2"
- **Materials:** 500D Nylon, YKK Zippers
- **Colors:** Black, OD Green, Camo

## DROP POUCH

The **Drop Pouch** is constructed from durable 500D nylon and designed for compatibility with most plate carriers and tactical vests using a secure hook-and-loop drop attachment. It features a laser-cut front hook-and-loop panel along with a spacious main compartment and front zippered pocket, both equipped with draw cord closures for secure storage and quick access to essential gear.

- **Overall size:** 8”X6”X2”
- **Materials:** 500D Nylon, YKK Zippers
- **Colors:** Black, OD Green, Camo
